

Membership Benefits for Frame Manufacturers

The Rural and Industrial Design and Building Association (RIDBA) is the recognised trade association for the modern agriculture and industrial buildings industry representing contractors, fabricators, designers, surveyors, planners, manufacturers and colleges.

RIDBA provides an exclusive range of benefits and services designed to support its members. It also helps to raise their profile by identifying them as part of an elite group of professional and reputable market leaders.

Increased Business Opportunities

- RIDBA membership is a mark of quality and identifies companies as part of an elite group of professional and reputable market leaders
- Use of the RIDBA brand on your company website and communications
- Company details included on the RIDBA website and published in the quarterly RIDBA Journal
- Opportunity to publish one press release in the RIDBA Journal (subject to space) providing direct exposure to potential clients.

Industry Representation

- Collective industry voice representing the rural and industrial design and building industry to Government, leading client organisations and other key stakeholders
- Representation on relevant industry committees (HSE, BSI, ACR, etc.)
- Trade Association member of Build UK, which represents the contracting supply chain in construction.

Information

- Access to free advice from the RIDBA Technical Consultant who is a qualified structural engineer
- Monthly e-newsletters helping members to keep up-to-date with developments and standards
- Quarterly issues of the RIDBA Journal
- Instant news updates provided via RIDBA's social media platform.

Discounted Products and Services

- Free Helplines on employment, health and safety, insurance, contracts and disputes and tax and business
- Free and unlimited credit reports on clients and contractors
- Online DBS checks for regulated activity
- Access to discounted construction publications from CIP.

Networking

- Regular events throughout the year to encourage collaborative working across the sector and the rest of the supply chain, to discuss key issues, improve services and promote best practice
- The RIDBA Building Awards recognising and rewarding members for designing innovative and sustainable agricultural and industrial buildings
- Local and National visits organised to showcase new ideas and encourage networking.

Membership Benefits for Contractor Members

The Rural and Industrial Design and Building Association (RIDBA) is the recognised trade association for the modern agriculture and industrial buildings industry representing contractors, fabricators, designers, surveyors, planners, manufacturers and colleges.
